DEEP ROOTS

STRONG BRANCHES

ENDLESS GROWTH

Welcome to Bramble Hill Primary School

At Bramble Hill, your **child's educational journey begins** with

DEEP ROOTS

— a **strong foundation** built on **values, care,** and **curiosity.**

We believe the **early years** are **essential** for **shaping lifelong learning.** Our **Grade R** to **Grade 6 programmes** are designed to foster

STRONG BRANCHES

through **academics, arts, sports,** and **emotional development, encouraging** each **student** to **grow confidently** and **holistically.**

With the **internationally respected Cambridge curriculum,** our **children** experience

ENDLESS GROWTH

— developing **skills, resilience,** and a **mindset** that **prepares** them not just for **exams,** but for **life.**

Set within a **natural landscape,** our **school** offers a **safe** and **inspiring space** where **every child** is **seen, supported,** and **challenged** to **flourish.**

Why Choose Bramble Hill?

Cambridge Excellence

Internationally recognised curriculum with **practical, real-world application.**

Safe, Natural Campus

Visually appealing, open spaces that **inspire learning** and **play.**

Small Class Sizes

Individual attention that **promotes academic** and **emotional development.**

Rooted in Values

Our school's philosophy –

- is **more** than a **motto;**

it is the **heart** of our **teaching** and **care.**

We **believe** in **grounding children** in **strong values, nurturing** every part of their **growth,** and **preparing** them for a **future** of **lifelong learning** and **responsible citizenship.**

OUR CURRICULUM
Grade R to Grade 6

At **Bramble Hill,** we offer a **rich** and **diverse curriculum** guided by the **internationally recognised Cambridge**

Every **subject** and **activity** is a **branch** of our **holistic vision.** Whether your child finds joy in **science, art, sport,** or **service,** we **ensure** that each is **challenged** to **grow, discover,** and **flourish:**

Cambridge International School

Welcome to

Bramble Hill High School

DEEP ROOTS STRONG BRANCHES ENDLESS GROWTH

At **Bramble Hill International School,** our **High School** phase **builds** on a **solid foundation** of **values** and academic excellence while nurturing students through the crucial years of adolescence.

We **guide learners** to **develop strong character** and **critical thinking skills, preparing** them for the **real world** with **confidence.** Our approach encourages **deep-rooted responsibility, broad intellectual exploration,** and the **continuous growth** of **leadership, resilience,** and **global readiness.**

Rooted in the **Garden Route community of George,** we offer a **high-impact, personalised education** — enabling each **learner** to **stretch** into their **future** with **strength** and **purpose.**

Academic Structure

Lower Secondary (Grades 7 to 9)

Rooted in **foundational excellence** and **curiosity,** this phase **nurtures critical thinking, character,** and **readiness** for **deeper academic roots.**

A Level (Optional Year 13)

12-month specialisation for school leavers

Students choose 2 to 3 subjects
Our optional **specialisation year** supports **confident learners** with **career-aligned subjects, academic mentoring,** and **university application guidance.**

Upper Secondary: IGCSE (Grades 10–11)

18-month programme

Learners begin to **stretch** their **branches** — choosing **subjects** aligned with their **strengths** and **applying** their **knowledge** to **real-world problems.**
Cambridge IGCSE exams written in May/June of Grade 11

Students choose 7 subjects:

- English (1st Language)
- Afrikaans (2nd Language)
- French (Foreign Language)
- Mathematics
- Physics
- Chemistry
- Biology
- Geography
- Environmental Management
- Travel and Tourism
- Business Studies
- Computer Science
- Design and Technology
- Accounting

Our Focus

Where Strong Roots Lead to Meaningful Growth

Self-Responsibility & Resilience
Students are encouraged to take ownership of their academic journey, grounded in strong values that empower them to meet life's challenges.

Goal Setting & Growth Mindset
We guide learners to set meaningful goals, reflect regularly, and embrace a growth mindset — learning from both success and setbacks.

Individual Pathways
With tailored subject selections and mentoring, students follow a personalised route that nurtures their strengths — whether academic, creative, or technical.

Continuous Evaluation
Assessment is ongoing and supportive, focused on mastery and progress rather than comparison.

Digital Education & Research Skills
Seamless integration of platforms for academic collaboration, research, and organisation.

Mentorship & Guidance
Each student receives individual attention from dedicated mentors who care about both their academic and emotional wellbeing.

Why Families in George Choose Bramble Hill?

Student-Centric
A personalised approach to learning that places the student at the centre.

International Standards
Cambridge-accredited curriculum and examination centre.

Global Curriculum, Local Heart
Internationally respected Cambridge qualifications taught in a caring South African environment.

Small Class Sizes
More attention, better support, stronger outcomes.

Values-Based Learning
Rooted in a philosophy of integrity, growth, and purpose.

Individual Attention, Personal Pathways
Every learner is seen, supported, & empowered to follow a tailored journey.

Character and Leadership
Students graduate not just with results — but with resilience, independence, & readiness to lead.

Cambridge International Accreditation

- Accredited Cambridge Examination Centre
- Offering IGCSE, AS, and A Level qualifications
- Aligned to global curriculum standards
- Recognised by SAQA and USAF in South Arica

Afternoon Activities & Leadership Development

Our **enrichment programme** encourages **personal growth beyond** the **classroom** — developing **strong branches** through **leadership, collaboration, service,** and **self-expression *(included in the fees):***
